Private Investigators Advisory Board

New Mexico Private Investigations Advisory Board Rules – Title 16, Chapter 48, Part 2, Section 19

C. PSYCHOLOGICAL EVALUATION

(1) Requirements: Prior to certification as a level three security guard in the state of New Mexico, upon initial licensure only, it shall be necessary for each applicant to be examined by a licensed psychologist regarding the individual's mental suitability to carry a firearm within the individual's scope of duty as a licensed level three security guard. A list of licensed psychologists who are able to administer the exam will be available on the website or from the board office.

(a) All psychological evaluations shall be on a form provided by the department and must state if the applicant is recommended or not recommended to carry a firearm. If an applicant is not recommended to carry a firearm, the psychologist shall specify the reason(s) the applicant is not recommended to carry a firearm.

(b) Evaluations cannot be more than one year old for certification purposes.

(c) The original evaluation form shall be signed and transmitted directly to the board by the psychologist that performed the psychological evaluation

(d) The willful providing of false information or willful failure to disclose information that the applicant knows or should have known is necessary to a complete and accurate evaluation shall be grounds for denial of licensure.

(2) Evaluation standards: The psychological evaluation shall consist of the Minnesota multi-phasic inventory-2 restructured form or MMPI-2RF. The report shall incorporate all information gathered in the interview and testing, and shall contain a specific recommendation on a form provided by the department as to the applicant's suitability to carry a fire arm as a level three security guard. All psychologists performing evaluations must be licenses and conform to the guidelines of the American psychological association regarding storage of records.
