For more information you may visit the "New Mexico Rural Electric Cooperative" web site at: <http://www.nmelectric.coop/nmcoops.php> or you may contact them at 505-982-4671.

*N.M.A.C. 14.5.2.10 (k)(1) - Any installation with a calculated service capacity over 100 kVA single phase or over 225 kVA three phase must be stamped by an electrical engineer, registered in accordance with the New Mexico Engineer and Surveying Practicing Act. This requirement shall not apply to remote installations such as irrigation pumps. Any Commercial project that requires an architect or engineer seal pursuant to this part shall be submitted to the electrical bureau for review and approval.
