Attention: NM Pharmacists and NM Pharmacies

Subject: Required Reporting of Pseudoephedrine and Ephedrine Over-the-Counter Sales – NPLeX

Pursuant to 16.19.20.53 (B) NMAC, the New Mexico Board of Pharmacy has contracted with Appriss, provider of National Precursor Log Exchange (NPLeX), to collect over the counter pseudoephedrine (PSE)/ephedrine (EPH) transactions. NPLeX provides real-time PSE electronic tracking in accordance with the Combat Methamphetamine Epidemic Act (CMEA) and is FREE of charge.

How to sign up for an account:

1. Retail Portal Application

- Go to <https://nplex.appriss.com/retail/pharmacy/loginRegister.do>
- If your pharmacy is not found, you can manually register.
 - You will receive a confirmation email with instructions for account set up.
- **Optional Scanner:** Pharmacies interested in further enhancing their workflow have the option of purchasing scanners that will scan 2D Driver's License, product UPC, and capture signature. The State of New Mexico does NOT require scanners. Visit <http://nplex.pacsuppliesusa.com/> to purchase a compatible scanner.

2. POS Integration

- Over 25 point-of-sale (POS) vendors have completed an interface with NPLeX. By integrating with the POS software, transactions can be submitted directly to NPLeX from the existing POS system instead of using the NPLeX retail portal. Please contact your POS vendor to be configured for NPLeX. The vendor will then work with Appriss to ensure proper configuration.
- If you utilize a POS vendor that is not listed below, but is interested in integrating, please have the vendor reach out to NPLeXSupport@appriss.com.

Integrated POS Vendors

Activant/Epicor	ECRS	Pioneer	CAM
AutoStar/RMS	Emporos Systems	Micro merchants	Computer Rx
Best Computer System	Freedom Data	Paladin Data Corporation	McKesson
