

The New Mexico Regulation and Licensing Department in consultation with the Advisory Board of Respiratory Care Practitioners approved the repeal of 16.23.15 NMAC, Parental Responsibility Act Compliance (filed 12/20/2002). The Regulation and Licensing Department will take responsibility for administering the disciplinary procedures required by the Parental Responsibility Act pursuant a new section in Part 1, see 16.23.1.18 NMAC. The purpose of the repeal is to simplify procedures and to delegate all responsibilities for enforcement of the Parental Responsibilities Act to the Department effective xx/xx/20xx.
