

The New Mexico Regulation and Licensing Department in consultation with the Advisory Board of Respiratory Care Practitioners approved the repeal 16.23.7 NMAC, Temporary Student Permit Renewal (filed 6/15/2017). All provision related to student permitting have been consolidated into Part 6. The purpose of the consolidation and integration is to provide an integrated reference to all requirements for any permit types issued and to reduce ambiguities and inconsistencies in the rule requirements effective xx/xx/20xx.
