Dear Madam President & Ms. James,

In anticipation of the upcoming board meeting, I would like to request the following listed items as it pertains to the Permanent Cosmetic Practitioner in the State of New Mexico:

- 1) Change the Permanent Cosmetic Practitioner's (aka Permanent Makeup artist/tattooist) curriculum back from 255 hours to 100 hours so that it meets the minimum standard as set by the Society of Permanent Cosmetic Practitioners and to meet New Mexico law, 16.36.1.11.
- 2) Clarification and guidelines regarding a curriculum for tattooing of the areola and nipples in a cancer survivor. These guidelines pertain the enhancement or replacement of a body feature that an individual was born with which has been altered or removed because of a disease process such as breast cancer.

I thank you in advance.

Sincerely,
