

APPLICATION FOR ADDITIONAL PREMISES

This application is only applicable to add a “Premises” to a currently licensed:

- (1) Cannabis Producer;
- (2) Manufacture, or
- (3) Retail License.

NOTE: This application is NOT applicable to add a premise to an Integrated Cannabis Microbusiness or a Vertically Integrated Cannabis Establishment.

PAR Number(s):

License Type(s):

<p>NEW PREMISE ADDRESS:</p> <p style="text-align: center;">Address</p> <p style="text-align: center;">City Zip Code</p>	<p>Hours of Operation:</p> <p>Start of Day:</p> <p>End of Day:</p>
---	---

PRODUCER MUST ALSO PROVIDE THE FOLLOWING FOR THE PROPOSED PREMISES:

- 1) What is the initial amount of mature cannabis plants licensee intends to grow at this premises:
- 2) What is the initial amount of immature cannabis plants licensee intends to grow at this premises:
- 3) What is the monthly estimated water usage, in gallons, for the entered plant counts?
- 4) Applicant must submit a completed CCD/OSE Cannabis Water Rights Review Accession Form. In addition to the form, licensee must submit documentation from either paragraph (a) or paragraph (b) for the proposed premise:
 - a. Letter from a commercial water provider stating that the applicant has the right to use water from the provider, that the provider has legal access to the water to be provided, and that the use of water for cannabis production is compliant with provider's rules and/or legal authority. The letter from a water provider must be on the provider's letterhead, and signed by an authorized designee of the commercial water provider. **NOTE:** A contract, invoice, or bill from a water provider is not sufficient. Documentation must have the same address as the Premises. The Cannabis Regulation Act requires documentation for each Premises.
 - b. Documentation from the office of the state engineer showing that the applicant has a valid and existing water right, or a permit to develop a water right, for irrigation purposes for outdoor cultivation, or a commercial purpose for indoor cultivation at the proposed place of use of the cannabis establishment.
- 5) Water and Energy Plan. Licensee must provide a plan for the proposed premises to use energy and water reduction opportunities, or certification that the licensee cannot feasibly use energy and water reduction at the proposed site. Check yes or no for each statement below:
 - a. Licensee will use drip irrigation and water collection: Yes No

- b. Licensee will use natural lighting and energy efficiency measures: Yes No
- c. Licensee will use renewable energy generation: Yes No
- d. Licensee has determined it is not feasible to use energy and water reduction measures.

MANUFACTURE MUST ALSO PROVIDE THE FOLLOWING FOR THE PROPOSED PREMISES:

A Class IV Manufacturer planning to use compressed gas must obtain and attach an LP Permit from the Construction Industries Division (CID) of the Regulation and Licensing Department. If an Applicant does not intend to use compressed gas, attach a letter stating this requirement is not applicable.

A Class II, Class III, and Class IV planning to produce edible or topical cannabis products must obtain and attach a New Mexico Environment Department (NMED) Edible and Topical Manufacturer Certification. To complete the certification process, go to the following website: www.env.nm.gov/cannabis-hemp/cannabis-certification/. If an Applicant does not intend to produce edible or topical cannabis products, attach a letter stating this requirement is not applicable.

ALL APPLICATIONS MUST ANSWER THE FOLLOWING:

Proposed premises is not within the exterior boundaries of a federally recognized Indian Nation, Tribe or Pueblo located wholly or partially in the state; or

Proposed premises is within the exterior boundaries of a federally recognized Indian Nation, Tribe or Pueblo located wholly or partially in the state.

Under penalty of perjury, the Licensee, or authorized agent for the licensee, hereby declares that the information contained within and submitted with this application is complete, true and accurate. The Licensee, or authorized agent, acknowledges that all certifications and requirements applicable to the current license are applicable to all premises. The Licensee, or authorized agent, acknowledges that a misrepresentation of fact or violation of the Cannabis Regulation Act, the Lynn and Erin Compassionate Use Act, or division rules may result in revocation of a license issued.
