TO: ALL CERTIFIED NM MECHANICAL INSPECTORS, NM REGISTERED
MECHANICAL ENGINEERS, DESIGNERS, NM LICENSED MECHANICAL
CONTRACTORS, MECHANICAL INDUSTRY
SUPPLIERS AND MANUFACTURER REPRESENTATIVES

FROM: TAMARA KUYKENDALL, MECHANICAL BUREAU CHIEF, CID 

DATE: AUGUST 28, 2024

SUBJECT: REFRIGERANT TRANSITION TO A2L REFRIGERANTS

This memorandum serves as notice to all mechanical industry related companies of the change in upcoming refrigeration requirements. The Environmental Protection Agency has issued a notice that equipment utilizing R-410 refrigerant will not be manufactured or shipped after December of 2024.

Due to this change, CID and all other local municipalities will be enforcing the requirements listed below from the 2024 Uniform Mechanical Code for A2Ls refrigerants. This memorandum will remain enforce until the Mechanical Bureau adopts the 2024 Uniform Mechanical Code.
