Subject: Supervision Requirement for Acudetox Specialist

Dear Sir/Madam,

I have been supervising an acudetox specialist for a CADS in Socorro, NM for several years. This individual has dedicated significant time to volunteering at various locations in Socorro, including the correctional facility. Unfortunately, due to constraints on my availability for travel, I am finding it challenging to continue observing her practice.

I strongly believe that she offers a valuable service to the community. It is crucial for her to have a supervisor to maintain her licensure, without which she may have to discontinue her volunteering efforts.

Having practiced for five years, I feel that the requirement for continuous supervision every year is unnecessary for CADS. I urge reconsideration of this policy.

Sincerely,  
Jeanette Duffy DOM NM Lic 1076
