

**ORDER RESTRICTING MOVEMENT AND RECALL No. 2026-001**

Issued Pursuant to §§ 26-2C-43(B)(3) and (E) NMSA 1978

**Date:** February 26, 2026

**To:** GH, LLC dba Paragon Labs

**Controlling Person:** Kevin Kolb

**License No.:** VIC-2025-0030

**Licensed Premises:** 601 Paragon Rd SE Albuquerque NM 87105

**I. JURISDICTION AND STATUTORY AUTHORITY**

1. The Cannabis Control Division (“CCD”) is charged with enforcing the Cannabis Regulation Act pursuant to NMSA 1978, Section 26-2C-43(A) (2025).
2. Pursuant to NMSA 1978, Section 26-2C-43(B)(3) (2025), the CCD may issue an order restricting the movement of cannabis products that are or are suspected of being adulterated or dangerously or fraudulently misbranded.
3. Pursuant to NMSA 1978, Section 26-2C-43(E) (2025), the CCD may issue a recall order for cannabis products embargoed or subject to an order restricting movement due to adulteration or dangerous or fraudulent misbranding.
4. This Order constitutes sufficient notice pursuant to NMSA 1978, Section 26-2C-43(D) (2025).
5. This Order is a precautionary enforcement action issued pursuant to NMSA 1978, Section 26-2C-43 and does not, by itself, constitute a final disciplinary action against the license. Pursuant to NMSA 1978, Section 26-2C-43(N) (2025), the CCD may issue an order of final disciplinary action only after affording due process to the party pursuant to the Uniform Licensing Act, NMSA 1978, Section 61-1-1 NMSA 1978 *et seq.*

**II. FINDINGS OF FACT**

After inspection, investigation, documentation review, and laboratory analysis, the CCD makes the following findings:

1. GH, LLC dba Paragon Labs is a licensed cannabis establishment operating under License No. VIC-2025-0030.
2. The following edible cannabis products are manufactured and distributed by the licensee and are labeled as containing delta 9 tetrahydrocannabinol (THC) in an amount expressed in a number of milligrams (mg) (collectively, the “Affected Products”):

**Product Name(s):**

- i. Blueberry Kush Pop 200 mg
- ii. Raspberry Kush Pop 200 mg
- iii. Strawberry Kush Pop 200 mg
- iv. Watermelon Kush Pop 200 mg
- v. Grape Kush Pop 200 mg

**Package ID #'s:** Associated Package identification (ID) numbers are identified in Exhibit A, attached hereto.

3. Pursuant to NMSA 1978, Section 26-2C-17(B) (2024) and NMSA 1978, Section 26-2C-3(B)(4)(b)(3) (2024), the CCD is authorized to promulgate rules establishing labeling, packaging, and apportionment requirements for cannabis products.
4. Pursuant to that authority, the CCD promulgated 16.8.3.12(A)(6) and (7) NMAC, which establish maximum Total THC per-serving limits for edible cannabis finished products packaged for commercial sale and for qualified patients.
5. On December 5, 2025, the CCD conducted an inspection and labeling audit at a licensed cannabis facility, during which the Affected Products were identified and flagged for further review.
6. On January 12, 2026, samples of the Affected Products were submitted by the CCD for laboratory analysis.
7. Laboratory testing confirmed that the Affected Products exceeded the applicable THC per-serving limit established by 16.8.3.12(A)(6) or (7) NMAC, as applicable.
8. Because the Affected Products exceed per-serving limits established by rules promulgated pursuant to Section 26-2C-17(B), the labeling does not conform to the requirements of that section and labeling rules promulgated by the CCD.
9. Accordingly, the Affected Products are misbranded pursuant to NMSA 1978, Section 26-2C-17.1(E) (2024).
10. The CCD further determines that the noncompliant per-serving apportionment creates a risk of unintended overconsumption and potential adverse effects and that the Affected Products are dangerously misbranded within the meaning of Section 26-2C-43(B)(3), (E).
11. Based on these findings, restriction of movement and recall of the Affected Products are authorized pursuant to Section 26-2C-43(B)(3), (E).

### III. ORDER

IT IS HEREBY ORDERED:

1. The movement of the Affected Products is immediately restricted.
2. GH, LLC dba Paragon Labs shall immediately cease the sale, transfer, transport, or distribution of the Affected Products.
3. The licensee shall immediately segregate and secure all Affected Products in its possession to prevent sale, transfer, removal, concealment, destruction, or disposal.
4. Within forty-eight (48) hours of receipt of this Order, the licensee shall provide the following to the CCD by electronic mail sent to [administrativehold@rld.nm.us](mailto:administrativehold@rld.nm.us):
  - a. A copy of the Licensee's Recall Plan;
  - b. A complete inventory of Affected Products in its possession;
  - c. A list of all cannabis establishments or persons to whom the Affected Products were transferred;
  - d. Documentation demonstrating that all cannabis establishments to whom the Affected Products were transferred have been contacted.

### IV. PROHIBITED CONDUCT AND PENALTIES

Pursuant to NMSA 1978, Section 26-2C-43(M) (2025):

1. A person who intentionally, knowingly, or recklessly removes, conceals, destroys, or disposes of a cannabis product subject to an order restricting movement or embargo is guilty of a fourth-degree felony and shall be sentenced as provided in NMSA 1978, Section 31-18-15 (2007).
2. A person who intentionally, knowingly, or recklessly sells, delivers, or transfers a cannabis product subject to recall is guilty of a fourth-degree felony and shall be sentenced as provided in Section 31-18-15.

### V. NOTICE OF RIGHT TO ADMINISTRATIVE HEARING

1. **Right to Administrative Hearing.** Pursuant to NMSA 1978, Section 26-2C-43(I) (2025), a licensee aggrieved by a movement restriction or recall undertaken pursuant to Subsection B or E may request an administrative hearing before a hearing officer as provided by rule.

2. **Deadline to Request Hearing.** A written request for hearing must be received by the Cannabis Control Division within ten (10) calendar days from the date this Order was executed. Failure to timely request a hearing constitutes a waiver of the right to contest this Order.
3. **Hearing Request Requirements.** The written request must include:
  - a. The name of the licensed entity requesting the hearing;
  - b. The CCD license number of the licensee requesting the hearing; and
  - c. A copy of this Order or sufficient reference information to identify it.
4. **Submission of Hearing Request.** The written request must be submitted by certified mail to:

Eden Sayers, Division Counsel  
Cannabis Control Division  
2550 Cerrillos Road  
Santa Fe, NM 87505
5. **Hearing Procedure and Appeal.** Upon timely receipt of a request for hearing pursuant to NMSA 1978, Section 26-2C-43(I) (2025), the CCD shall schedule an administrative hearing. The final agency decision may be appealed pursuant to NMSA 1978, Section 39-3-1.1 (1999).
6. **Effect of Hearing Request.** Filing a request for hearing does not automatically stay this Order. The movement restriction and recall remain in effect unless and until modified or lifted by written order of the CCD or by a court of competent jurisdiction. The licensee must continue to comply with this Order during the pendency of any appeal unless an express written stay is granted.

## VI. DISCIPLINARY ACTION

This Order does not constitute final disciplinary action. Pursuant to Section 26-2C-43(N), the CCD may, after an administrative hearing conducted pursuant to the Uniform Licensing Act, take disciplinary action against the licensee.

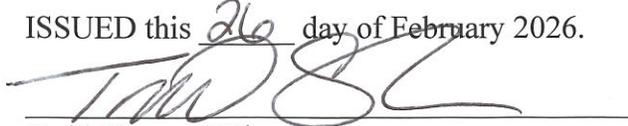

Pursuant to § 26-2C-43(N) NMSA 1978, the CCD may, after an administrative hearing conducted pursuant to the Uniform Licensing Act, Chapter 61, Article 1 NMSA 1978, take disciplinary action against the licensee, including:

- i. Suspension or revocation of license;

CCD Order Restricting Movement and Recall 2026-001  
GH, LLC; License No. VIC-2025-0030

- ii. Imposition of an administrative penalty not to exceed \$10,000 per violation; or
- iii. Any other disciplinary action allowed under the Uniform Licensing Act.
