

New Mexico Home Inspectors Board

Field Experience Log Sheet

In accordance with the Rules and Regulations established by the New Mexico Home Inspectors Board, the applicant below conducted a minimum of 30 parallel inspections totaling at least 80 hours under the direct supervision of a licensed Home Inspector or Licensee Candidate meeting the requirements for licensure by Experience and Examination during the Field Experience period. Each log sheet allows for 20 parallel inspections; submit multiple sheets in order to meet the minimum requirements or attach a spreadsheet with the appropriate information:

Date	Address	# Hours	Onsite/Reporting	Supervisor signature

I hereby attest that I participated in the parallel inspections described in the above log. Under penalty of Rules Violation, the Supervising inspector attests to having supervised as detailed.
